- UCCS provided software and public domain/shareware software of all types.
- Discussion groups on a wide-variety of topics.
- Variety of web-based and software programs to publish content to the web.
- Collaborative web-based programs for the purpose of project based learning.
- Online courses and curriculum, academic software and electronic learning resources.

1. Responsibilities

Urban Corps of San Diego County Charter School has taken reasonable precautions to restrict access to “harmful matter” and to materials that do not support approved educational objectives. “Harmful matter” refers to material that, taken as a whole by the average person applying contemporary statewide standards, describes in an offensive way material that lacks serious literary, artistic, political or scientific value. The teacher and staff will choose resources on the internet that are appropriate for classroom instruction and/ or research for the needs, maturity, and ability of their students. Urban Corps of San Diego County Charter School takes no responsibility for the accuracy or quality of information from Internet sources. Use of any information obtained through the Internet is at the user’s risk.

2. Acceptable Use

The purpose for UCCS having access to the internet is to enhance teaching and learning by providing access to 21st century tools and resources as well as online instruction. Use of another organization’s data networks (e.g. Cell Phone Carriers) or computing resources must comply with rules of that network as well as UCCS User policies.

3. Prohibited Uses

Transmission of any material in violation of any federal or state law, and district policy is prohibited. This includes, but is not limited to, the distribution of:

- a. Bullying by using information and communication technologies (cyberbullying);
- b. Defamatory, inappropriate, abusive, obscene, profane, sexually oriented, threatening, racially offensive or illegal material;
- c. Advertisements, solicitations, commercial ventures or political lobbying;
- d. Information that encourages the use of controlled substances or the use of the system for the purpose of inciting crime;
- e. Material that violates copyright laws. (District Procedure 7038)

4. Vandalism

Vandalism, unauthorized access, “hacking,” or tampering with hardware or software, including introducing “viruses” or pirated software, is strictly prohibited (Penal Code, Section 502).

Warning: Inappropriate use may result in the cancellation of network privileges. The UCCS administration may close an account at any time deemed necessary.

Vandalism will result in cancellation of privileges. This includes, but is not limited to, the uploading or creation of computer viruses.

5. Privileges

The use of the internet at UCCS is a privilege, not a right, and inappropriate use will result in cancellation of that privilege. The administration, teachers and/or staff may request the site system administrator to deny, revoke or suspend specific user access.

6. Network Rules and Etiquette

The use of internet requires that students abide by district rules of network use and etiquette. These include, but are not limited to, the following:

- a. Be polite. Do not send abusive messages to anyone.
- b. Use appropriate language. Do not swear, use vulgarities or any other inappropriate language. Anything pertaining to illegal activities is strictly forbidden. Note: E- mail and web-based programs are not private and are subject to review by district staff. People who operate the system have access to all mail. Messages relating to, or in support of, illegal activities must be reported to appropriate authorities.
- c. Maintain privacy. Do not reveal the personal address, phone numbers, personal web sites or images of yourself or other persons.
- d. Cyber-bullying is considered harassment. Refer to The Policy Against Harassment & Discrimination.
- e. Respect copyrights. All communications and information accessible via the network are assumed to be the property of the author and should not be reused without his/her permission.
- f. Do not disrupt the network.

7. Cyber-Bullying

UCCS provides education about appropriate online behavior, including interacting with other individuals on social networking websites and in chat rooms, cyberbullying awareness, and response. Cyberbullying is the use of any electronic communication device to convey a message in any form (text, image, audio, or video) that intimidates, harasses, or is otherwise intended to harm, insult, or humiliate another in a deliberate, repeated, or hostile and unwanted manner. Staff and students will refrain from using personal communication devices or district property to cyber-bully one another. Cyber-bullying may include but is not limited to:

- a. Spreading information or pictures to embarrass;
- b. Heated unequal argument online that includes making rude, insulting or vulgar remarks;
- c. Isolating an individual from his or her peer group;
- d. Using someone else's screen name and pretending to be that person;
- e. Forwarding information or pictures meant to be private.

8. Security

Security on any computer system is a high priority. If you feel you can identify a security problem notify UCCS administration either in person, in writing, or via the network. Do not demonstrate the problem to other users. Any user identified as a security risk or having a history of problems with other computer systems may be denied access to the internet at UCCS.
